MASTER / MARKETING & DIGITAL BUSINESS

STUDY IN FRANCE

PRESENTATION

Studying at Master's level allows you to choose your specialization path, to become an expert in your chosen field. The MasterClasses chosen each semester offer advanced teaching to strengthen this expertise and clarify your professional project.

The Digital and Marketing Business specialization is full-time and **100% in English**.

OBJECTIVES

- Provide students with a critical mindset on marketing activities
- Gain solid experience in marketing strategy (theory) and its implementation (practice) in a digital environment.
- Master digital marketing and communication tools and skills
- Understand the digital transformation of business data and evolving marketplaces

HIGHLIGHTS

- A program structured around the main activities of a typical marketing agency, a consulting company or a marketing department.
- Experience the reality of the business world throughout the two years with projects carried out for companies, in the context of different courses, and two 6-month internships
- Real life projects with local and international companies
- Project management skills involving skills and theory from multiple courses

DIGITAL MARKETING INSTITUTE CERTIFICATION

Students having completed the Marketing and Digital Business specialization are [“Certified Digital Marketing Associates”](#). They have access to a set of online courses, templates, databases, news ... in short, content relevant to their career. They are also recognized as true digital marketing professionals and thus accelerate their professional integration.
